 Bengaluru, Karnataka, India

EDUCATION

Vijaya College

2021-2024

BSc in Computer science and
Statistics

TECHNICAL SKILLS

- Languages: Python, HTML, CSS
- Frameworks: Flask, FastAPI
- Tools: Git, GitHub, Postman, VS Code
- Concepts: API development, environment setup, CLI apps

PROFILE

A passionate Computer Science student and Python developer with a keen interest in AI and automation. I enjoy building intelligent systems, creating Flask-based web apps, and exploring data-driven solutions that make everyday tasks smarter and more efficient.

LANGUAGES

- Kannada
- Telugu
- English

INTERNSHIP MINI PROJECTS

- Task 1: CLI Calculator App
- Task 2: CLI To-Do List App
- Task 3: News Headline Scraper
- Task 4: Flask REST API
- Task 5: FastAPI REST API

WHY ME ?

You should work with me because I combine strong Python development skills with a deep interest in AI automation. I focus on building efficient, scalable systems and love solving real-world problems with clean code.
